<b>Product Code:</b>	MULTI-SP
<b>Agreement No:</b>	
<b>Customer:</b>	

**Agreement Benefits and Description:**

The Multiple Support Incident Package spans a 12 month period and consists of the following:

- Five support incidents

Should your 12 month period expire before you have received all benefits of the package the remainder of the benefits will become null and void. The 12 month period will begin when payment has been received and end one year from payment date. Support will not be provided until payment has been received. Sensorsoft's 30 day money back guarantee does not apply to this support contract.

In the event that your support package is purchased at the time of your software license Sensorsoft Corporation will add the 3 free incidents provided with the software license to this contract.

The MULTI-SP support package may be purchased in conjunction with another package in order to add more support incidents to that package. Purchasing this package in conjunction with another package does not extend the term of this contract.

Please select one of the following on how you wish to utilize this package:

- Separately
- In conjunction with my RWMC-SP
- In conjunction with my RWME-SP

**Definition of an Incident:**

A support incident consists of a telephone call or an email. The term 'incident' is defined as a single issue or problem that Sensorsoft's Support Technician will analyze or resolve. Sensorsoft Corporation will notify you when you have one support incident remaining.

**Service Availability/Response Time:**

Sensorsoft Support is available weekdays from 8:30 am to 6:00 pm EST. Service availability may deviate from hours stated due to Canadian Holidays and events beyond our control. Sensorsoft Corporation will respond to your inquiry within one business day.

**Contact Person:**

The MULTI-SP support package is specific to a single contact person within your organization. You may change the contact person once during the term of the contract. Please specify your contact person below.

**Renewal of Agreement:**

If the customer elects to renew this agreement prior to or after expiry of this agreement, they may do so with written notice and payment of the RWME-SP subscription fee. Upon renewal, the terms and conditions of this agreement will apply. The expiry date of the renewed agreement will then be one year from the date of the renewal payment.

**Before contacting Sensorsoft Technical Support:**

Please ensure that you have gone through the “Troubleshooting Guide” section of your software user manual. Even if a direct answer to your question is not found there, it will be helpful for the support technician if you are able to provide information obtained from the diagnostic and troubleshooting process. Please ensure the problem is directly related to the Sensorsoft software.

By following the above format Sensorsoft can ensure that your support issue is dealt with quickly and efficiently.

**Payment:**

Payment terms are credit card, prepayment or Net 30 Firm on credit approval. Please note that if you chose to pay on Net terms support will not be provided until payment has been received.

Please complete the following if you would like the charge to appear on your credit card.
